## HELPFUL HINTS ON SPORTS COUPON COMPLETION

### Entering Sports, Age Groups & Grade Boxes

When entering events tick boxes where applicable. If you see boxes headed "Age Group(s)" or "Grades" write in these boxes the AGE GROUP or GRADE that you are entitled to enter. Do not merely tick these boxes nor write in your actual age.

### Partners, Pairs & Teams

If the sport you are entering allows you to enter different (lower) age groups for doubles or pairs etc. you will be placed in the age group of the youngest player.

Teams will be placed in the age group of the youngest competitor unless stipulated otherwise on the sports coupon. If you are entering doubles or pairs events etc., or team events, enter your partner(s) name or your team's name and team captain/contact etc., in boxes provided. **Please ensure correct spelling of partner and team names.**

If you are a team captain, contact, or Skip etc. please enter your name in the team contact boxes as well as at the top of the coupon.

If you do not have a partner or team for a specific event write "**required**" in the partner or team name field where applicable. Every effort will be made to find you a partner or team if requested but organisers make no guarantees that partners or teams can be found.

### General

### 4. Rules

You will abide by the rules and regulations as set down by the sport and body organising the event(s) in which you have entered (The Sport). You agree that failure to comply with the designated rules may result in your disqualification from NZMG and that you are personally responsible for any consequences of your failure to observe the rules and regulations.

### 5. Suspensions

In the event that you are subject to any suspension or ban imposed by any sport in which you are entering, you will make such information known to NZMG and The Sport with your registration form. Your entry may be refused or cancelled by The Sport due to any suspension or ban.

Any refund of fees will be subject to the deduction of a \$10.00 administration fee. The refund policy will be applied in every case without regard to the reason for any withdrawal. No refunds will be issued if sports are cancelled due to adverse weather conditions.

### 12. Disclaimer

You will not hold NZMG or any sport organiser liable for any damage in respect of any claim in relation to any event or function being held as part of or in conjunction with NZMG.

### 13. Accreditation

Every individual participant and supporter should check in personally at the registration centre in the Games Village to obtain the official accreditation, individual sports information and Games pack before competing in any event. Accreditation may have to be produced at the sports venue before permission to compete is granted. Official accreditation must be produced to gain access to the Games Village for evening entertainment. Take care of your accreditation pass as it will not be reproduced if lost. **THE ESSENCE OF A MASTER**

A clever man once said "My aim in life is to die as young as possible... as late as possible."

This would seem to describe the essence of being a Master. It may be said that our bodies are past their prime, that we can no longer expect to be elite or the very best in our chosen sport and yet our minds are still as sharp as they ever were.

Our experience of life has also led us to appreciate better what we have and to revel in every moment, to really get the most out of life.

Maybe as a "Master" we are truly now at our best.

We will continue to learn until our last days so it could also be argued the best years are still ahead of us.

However do you recall the freedom of adolescence, the absence of responsibilities, how life was just about you?

While growing up has presented us with new challenges and brought with it responsibilities, we remember and maybe even sometimes pine for the carefree days of our youth.

In the words of Whitney Houston, "would you like to have one moment in time where you can be free." Just for that one day to recapture that freedom of youth.

Then welcome to the Masters. This is your moment to feel that way again. To enjoy a day (or a week) that is just about you. With the care free environment of a fun filled Masters and the wisdom of experience this can be the best days of our lives!

Celebrate life for what it is, at THE MASTERS!

## A MESSAGE FROM GAMES AMBASSADORS DICK TAYLER & SIR COLIN MEADS

On behalf of Sir Colin and myself we look forward to welcoming you to the 2011 New Zealand Masters Games in Wanganui, in February. It is once again a great pleasure for me to be selected as the one of the Ambassadors, having been privileged to have performed the role in Wanganui (2007/09) and Dunedin (2008/10).

Sir Colin Meads who will be the co-Ambassador will assist me in the role of visiting the NZMG sports venues to witness the many amazing achievements and share in the joys of so many wonderful people. Having Colin on board this time will make it an even more special experience for all of us as he really enjoys meeting and mixing with people.

The Masters Games concept gives so many people regardless of whether or not they have been sports people in the past, the opportunity to get out and have some fun and be as competitive as they wish, with experience and skill being no barrier to participation.

Being part of the New Zealand Master Games is a very special experience for Colin and I and we may even participate as well. Look out for Colin on the bowling green and myself on the walk around the river circuit.

We will never forget the social aspect of the Games, especially the ongoing friendships that are made and the fun times that are had by all.

New Zealand has a big sporting year ahead of it in 2011 with the Rugby World Cup, and the New Zealand Masters Games will be the start of it. So don't say to yourself maybe, just do it! I guarantee you will enjoy your time in Wanganui.

See you in February 2011

Cheers

Dick Tayler and Colin Meads
